

West Seattle Art Tour

2026 SPONSOR FACT SHEET

Our mission statement:

The West Seattle Art Tour offers an annual showcase of our vibrant artist community, representing a full spectrum of mediums. This self-guided tour through West Seattle's beautiful neighborhoods invites visitors into the spaces where artists live and work, provides opportunities to learn about their ideas and processes, and offers the chance to purchase exceptional artworks often not found elsewhere. Our goal is to create an event that attracts regional audiences while strengthening and celebrating the local arts community.

Your sponsorship is vital to the continued success of the West Seattle Art Tour and is a great way to show your support for local artists, many of whom make a living from their art. We are pleased to offer you valuable visibility for your sponsorship, by including your business logo on our beautiful full color brochures and our new website.
